## **Tough Times**

How can we best assist job seekers when they come to our libraries? Come to this LSTA grant funded workshop to get an overview of the offerings of the Wisconsin Job Center. Kathleen Olson, workshop coordinator from the La Crosse Job Service, will be here to talk about their programs and services, how and where to refer job seekers and what public libraries can offer. Additionally, we will also welcome Ricardo Acevedo from the Social Security Administration, who will update us on their new website, benefit application processes and more.

2.5 CE hours

*This workshop is made possible by federal Library Services and Technology Act (LSTA) funds, administered by the Department of Public Instruction; Division for Libraries, Technology and Community Learning.*
